

WHERE EVERY HOMEOWNER IS TREATED LIKE ROYALTY

# Our Work Basement

If your home could use a little more space, finishing the basement is a great solution. It's also an ideal place to add that extra bathroom you've always needed.

As with any renovation, the job needs to be done right, with an experienced crew you can count on. That's where Marquis Estates comes in. We've been there before... many times. A standard basement renovation takes approximately 4-6 weeks or 6-8 weeks if there's a bathroom included.

Our team can help with all aspects of the job, right down to the decorating. Once completed, you'll wonder why you didn't do it sooner!
