

WHERE EVERY HOMEOWNER IS TREATED LIKE ROYALTY

## Our Work Beemer Ave, Mississauga

*Before*

This home was completely renovated inside and out.

The main floor walls were removed to provide an open-concept plan. Upstairs, the layout was reconfigured to include a stunning new master suite. The basement was finished to include a 3-piece washroom and home office. Hardwood floors were laid throughout, and custom cabinetry and granite counters were also installed.

Exterior renovations included a half-acre of landscaping, a pool overhaul, plus new porches, front and back.

Completed on schedule, it's amazing what's possible with all the right people involved.
