

WHERE EVERY HOMEOWNER IS TREATED LIKE ROYALTY

Our Work Louis Drive, Mississauga

The owner of this home wanted to sell, but realized the property needed some professional TLC, and fast.

The ground floor was transformed with all new lighting, kitchen cabinets, flooring and classic crown moulding. Upstairs, an additional bathroom was built, while downstairs the basement was completely finished. Curb appeal was improved with a fresh, new stucco façade, new windows, driveway and landscaping.

In just 7 weeks, it showed like a virtually brand new house. The owner was rewarded with an offer the very first day on the market!
